<b>Duration</b>	<b>2 hours</b>
<b>Cost</b>	<b>Participation is fully funded by the European Union, under the Level Up Project</b>

# George Agathangelou

---

George Agathangelou, a dynamic financial industry leader, has amassed over 15 years of experience in regulated financial markets and a decade of proficiency in Bitcoin. As a holder of the CySEC professional competence certificate since 2009 and a Certified Bitcoin Professional, George possesses an exceptional grasp of Distributed Ledger Technologies (DLT) and the rapidly evolving virtual asset service sector.

His dedication to remaining ahead in the blockchain field is evidenced by his recent accomplishment of an MSc in Blockchain and Digital Currency from the University of Nicosia. Throughout his career, George has held executive positions at prominent Cyprus Investment Firms, honing his skills in advisory services, education, and training.

Passionate about sharing his knowledge, George is a sought-after international public speaker who has delivered compelling presentations on DLT, blockchain, and related topics in numerous countries. As a thought leader and visionary, George is a distinguished voice in the FinTech world, inspiring audiences and businesses to embrace the potential of emerging distributed ledger technologies.
