

MASTER YOUR DIGITAL SKILLS

Practical Cybersecurity Compliance for SMEs Navigating EU Regulations

Cybersecurity

JOIST Innovation Park

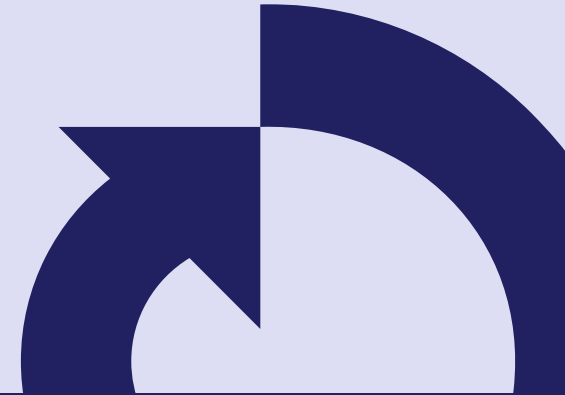

Co-funded by
the European Union

COURSE OVERVIEW

This course helps SMEs navigate EU cybersecurity regulations like GDPR, NIS2, CRA, DORA, and eIDAS 2.0. Through case studies, sector checklists, and practical toolkits, participants learn how to protect data, manage risks, respond to incidents, and build a security-minded culture. By the end, SMEs will be ready to stay compliant, gain trust, and strengthen digital resilience.

TARGET AUDIENCE

1. SME Owners & CEOs – to understand strategic cybersecurity risks and compliance obligations.
2. IT Managers & Security Professionals – to implement and maintain effective cybersecurity measures.
3. Legal & Compliance Officers – to navigate EU requirements such as GDPR and NIS2.
4. Data Protection Officers (DPOs) – to ensure data protection practices align with EU law.
5. Employees handling sensitive data – to apply best practices for security and privacy.

COURSE DESCRIPTION

By the end of this course, you will be able to:

- Navigate the EU's key cybersecurity laws with confidence.
- Check your SME's compliance readiness and close the gaps.
- Put in place essential policies that protect data and systems.
- React fast and smart to cyber incidents while securing your vendors.
- Empower your team and leadership to build a security-first culture.
- Design a clear Cybersecurity Roadmap to future-proof your SME.

Modules at a Glance

Module 1 – Cybersecurity Risks and the EU Landscape

Discover why SMEs are prime targets, explore real EU cases, and understand the legal consequences of non-compliance.

Module 2 – EU Cybersecurity Regulations and Sector Compliance

Break down key EU laws (GDPR, NIS2, CRA, DORA, eIDAS 2.0) and apply them through sector-specific compliance checklists.

Module 3 – From Law to Action: SME Compliance Toolkit

Use self-assessments, essential policies, and an incident response playbook to turn regulations into daily business practices.

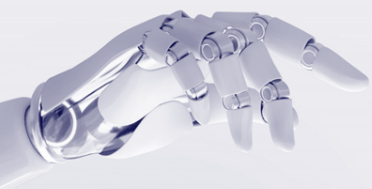

Module 4 – Cybersecurity Culture and Future-Proofing SMEs

Build awareness, strengthen leadership accountability, and prepare your SME for upcoming EU frameworks.
