

MASTER YOUR DIGITAL SKILLS

Prepare and visualize data with Pandas

Data Analytics, data literacy & data driven decisions

StackFuel

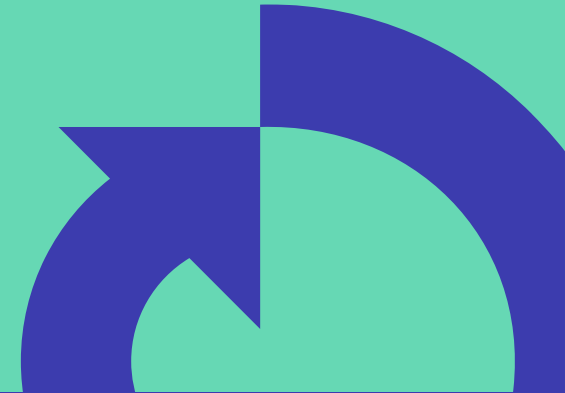

Co-funded by
the European Union

COURSE OVERVIEW

The free webinar "Prepare and Visualize Data with Pandas" is perfect for beginners and those looking to sharpen their skills. This one-hour session is dedicated to guiding you through the essentials of using Pandas, the cornerstone Python library for data analysis.

OUR GOALS

1. Equip Learners with Data Analytics Skills.
2. Drive the digital transformation for your company.
3. Cultivate life long learning.

COURSE DESCRIPTION

Whether you're a student, a professional looking to enhance your data handling skills, or simply curious about data science, this webinar will equip you with fundamental skills to elevate your data analysis game. Join us to start leveraging data like a pro!

- **An Introduction to Pandas:** Discover why Pandas is the go-to tool for data scientists and analysts for manipulating and analyzing data
- **Basic Data Wrangling Techniques:** Understand importing, cleaning, and manipulating your data with some of Pandas' most powerful functions. Learn how to transform raw data into clean data, suitable for insightful analysis.
- **Data Visualization:** Turn your data into compelling visual stories using Pandas with popular plotting libraries. We'll show you how to create clear and attractive visualizations that convey your findings effectively.

COURSE INFO

Location	Online
Date	29.05.2024
Time	15:30 CET
Duration	1 hours
Cost	Free

Sergio Guerra Abril

Sergio is a Data Science and Analytics Mentor at StackFuel, where they eagerly help others navigate the complexities of the field of data. After teaching various mathematics and statistics courses at universities in the Berlin-Brandenburg area, Sergio has become passionate about the potential of data and machine learning to unveil meaningful insights. They hold a B.Sc. in Mathematics from American University and further coursework in Computer Science from Georgia Institute of Technology.
