

MASTER YOUR DIGITAL SKILLS

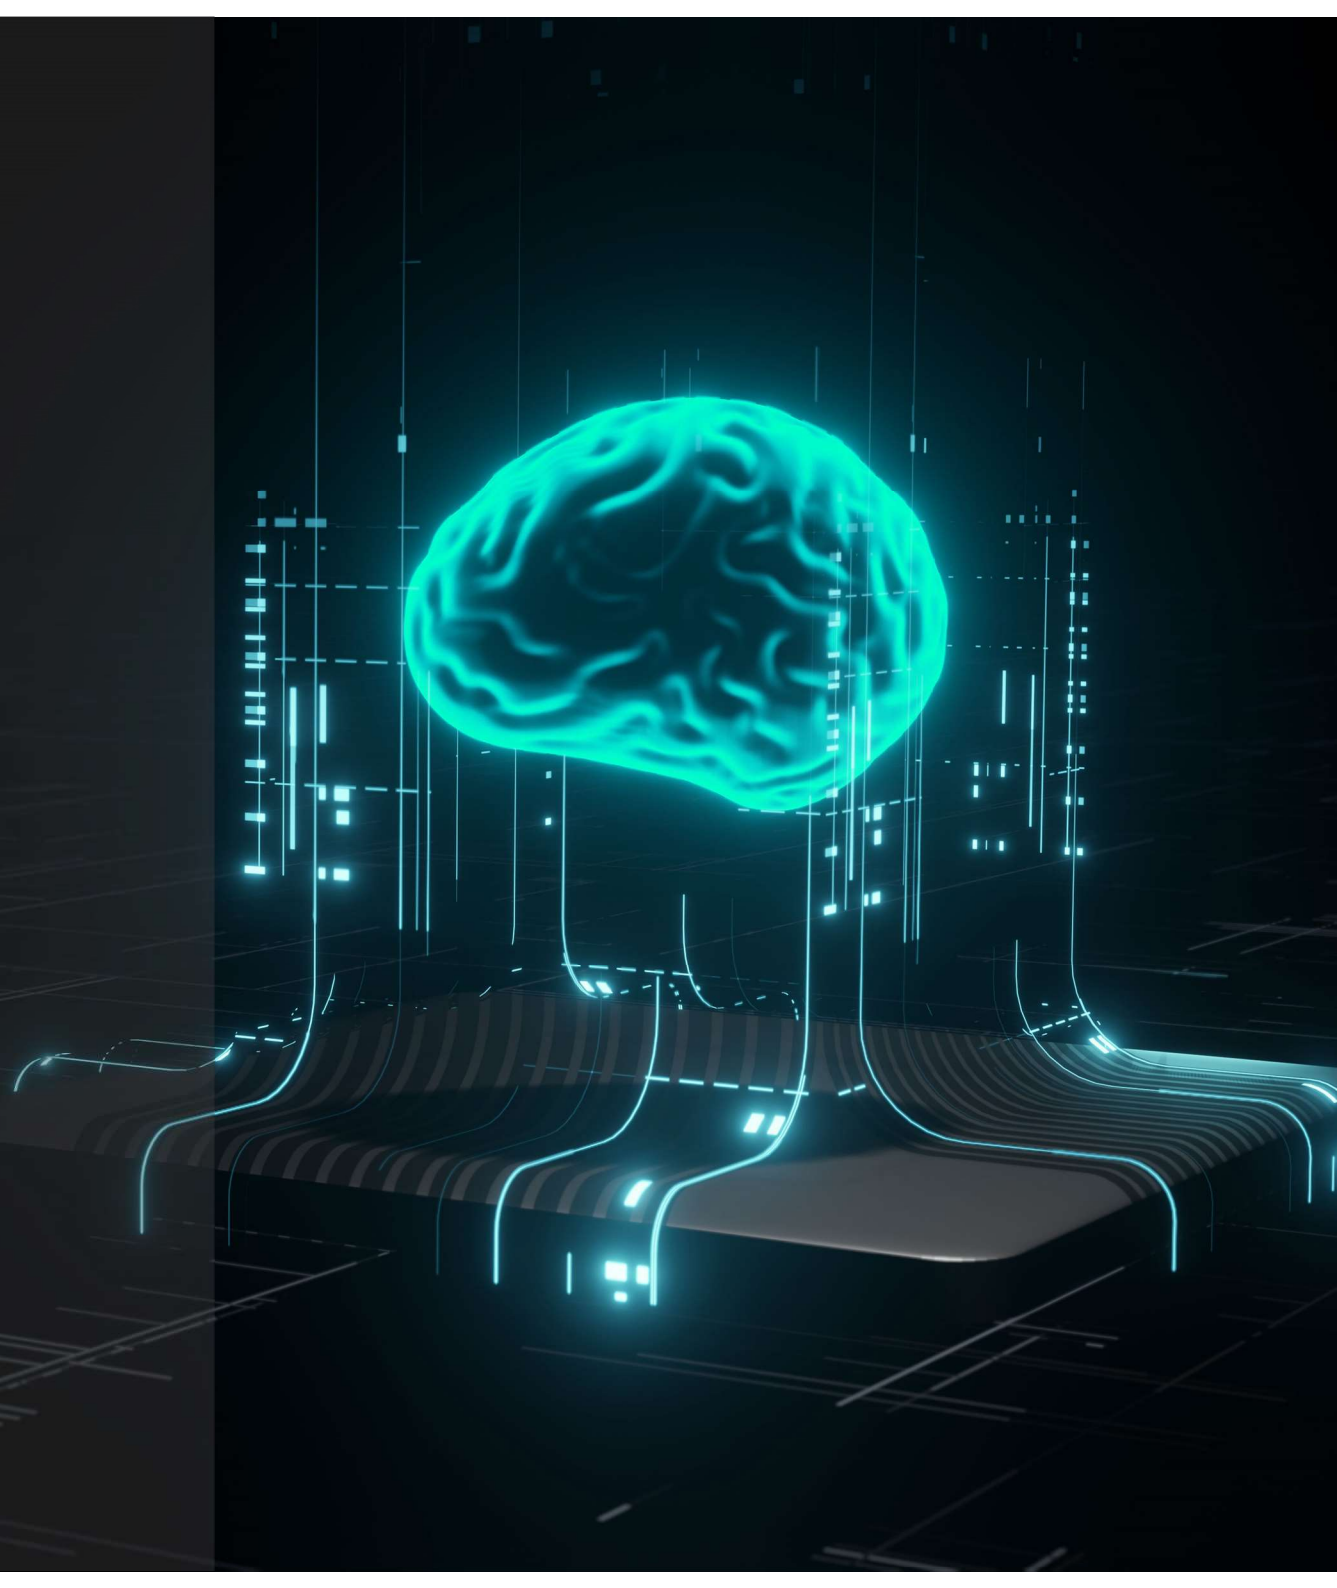

**Unleash Your Creativity
with AI**

Artificial Intelligence (AI)

Anttu Koistinen

Co-funded by
the European Union

SEMINAR OVERVIEW

1. Developing Creativity with AI
2. Industry Examples
3. Tools, Case Studies and Examples

TARGET AUDIENCE

Event organizers and Creative Industry employees and entrepreneurs.

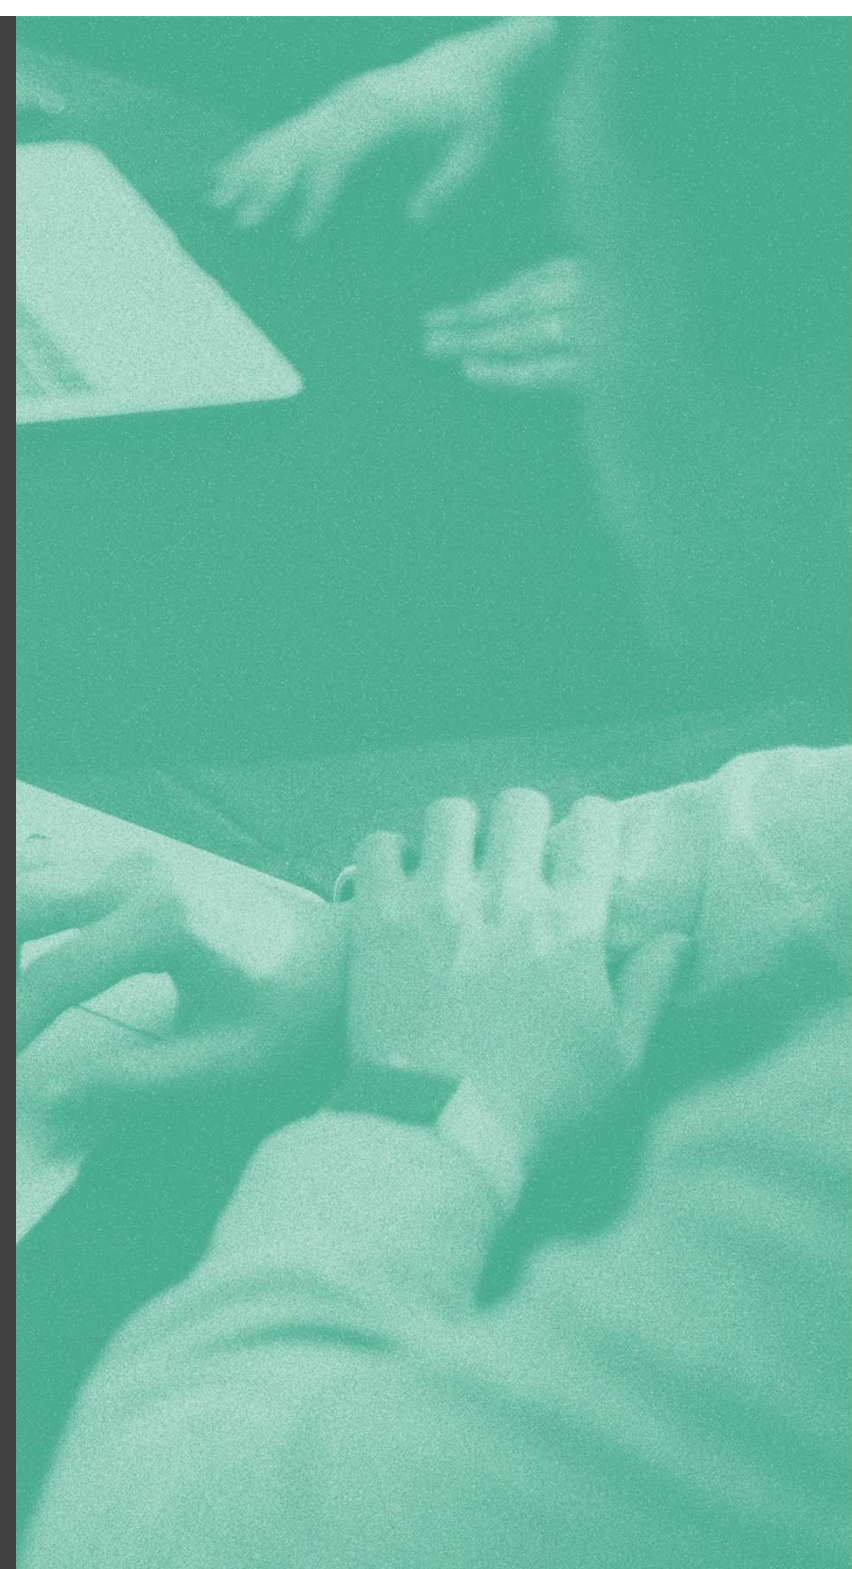

COURSE DESCRIPTION

Artificial intelligence does not have the same prejudices and limitations as us humans, so it offers us new, even surprising perspectives. We take advantage of these new, unique opportunities to look for completely new solutions and insights, e.g. to polish your own business plan, strategy or concept idea to its peak!

- **AI in general**
- **Unleashing Creativity with AI**
- **Tools, Examples, Strategies**

Location	Crazy Town, Pori, Finland
Date	23.11.2023
Time	14:00
Duration	1,5 hours
Cost	0 €

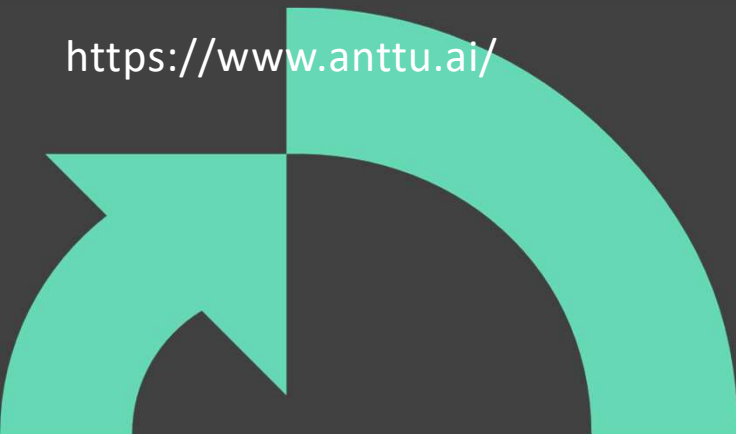

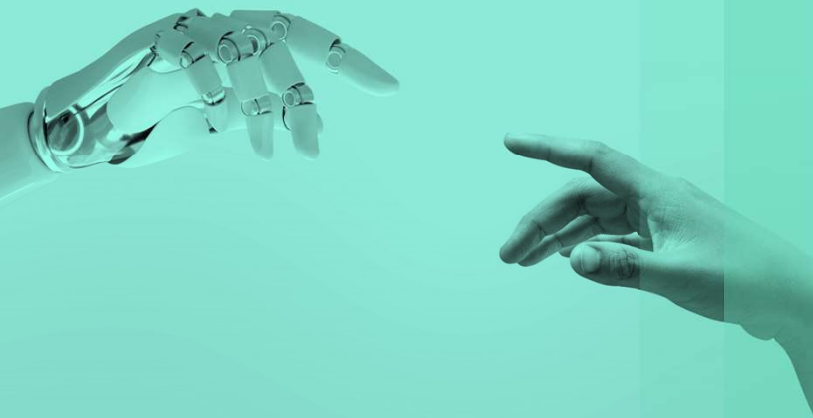

Anttu Koistinen

Anttu Koistinen has been working in sales, marketing, ad agencies and video production companies for over ten years, and specialises in the use of AI in his daily work. Anttu is an inspiring AI-trainer with diverse experience, expertise and passion for AI.

Anttu is also currently developing a novel AI application designed for sales and marketing content production. The main goal is to make complex AI technology significantly more accessible and straightforward for any IT professional, without the need for deeper technical knowledge.
